

# **Cardinal Newman Catholic Primary School**

# **Behaviour Policy**

### **MISSION STATEMENT**

To be a community of learners, believers and friends rooted in the values and teachings of the Gospel. We seek to enable every individual to develop his or her potential in the knowledge that they are uniquely created and loved by God.

Title	Behaviour and Anti-bullying Policy
Policy Reviewed	October 2023
New Review Date	October 2024

## **Objectives**

The aim of this policy is to enable our school community to follow the teaching of Jesus Christ from the Gospel of St Matthew 7:12

### "So always treat others as you would like them to treat you."

High standards of behaviour lie at the heart of our Catholic school family. We aim to promote an environment where everyone feels happy, safe and respected as an individual. Through this policy, we strive to apply a common approach to the maintenance of good behaviour which is understood and practised by the whole school. This policy should be used in conjunction with other relevant school and Xavier policies including but not limited to Xavier Child Protection and Safeguarding Policy; Xavier SEND Policy; Xavier Equality Policy; Xavier Exclusions Policy; Xavier Staff Code of Conduct; Cardinal Newman Anti-Bullying Policy; Cardinal Newman Flourish Policy

# **Key Principles**

Every child has a right to learn in a happy, safe and secure environment, so that they can grow in self-esteem and personal achievement

Our school community is a collaboration between families, carers, staff, governors and anyone involved in our school community.

The positive contribution of each individual is vital for the success of the school as a Catholic community

All members of the school community have the right to be trusted, treated fairly and respected as individuals

All members of our school community should practise forgiveness and reconciliation

All members of our school community are actively and regularly praised and rewarded for their individual efforts

### The Responsibilities of Staff

To support the distinctive Catholic nature of the school

To teach the Catholic faith and be faithful to the teachings of the Church and the values of the Gospel by word and example (and especially with regard to forgiveness and reconciliation)

To respect colleagues and work together as a team for the benefit of the children in our care

To respect the children, listen to them and speak to them in an appropriate manner

To respect parents / carers and contact them with any concerns relating to their child's work, behaviour or wellbeing

In line with our safeguarding policies, to protect children from harm

To behave in a professional manner at all times, guided by the school's policies and procedures

# The Responsibilities of Parents / Carers

To support the distinctive Catholic nature of the Cardinal Newman Catholic Primary School, which they have chosen for their children

To ensure that their child knows that school is a place for learning and that all children have the right to learn and play without interference from others.

To promote respect for all members of the school community by word and example

To support their child to understand that physical violence of any kind is never acceptable (including when someone else has hit / provoked them first)

To ensure that their child is fit for school: making sure their child has had enough food and sleep, is clean, properly equipped and well enough to be in school

To encourage forgiveness when other children make poor choices and to support reconciliation between the children and families

To ensure that any concerns about the school are shared privately with the headteacher and / or relevant member of staff in order to maintain children's confidence and positive attitude to school and learning. If the concern remains, the Xavier Complaints Policy outlines the formal process of complaint.

# The Responsibilities of Pupils

To be polite, kind and considerate to everyone in our school community and never use rude or discriminatory language

To learn to listen politely to others

To work hard and do their best

To do nothing that prevents others from working and learning

To contribute to keeping the school clean and tidy, including taking care of school property.

To behave appropriately for the setting they are in (classroom, playground, assembly, church, trip)

To move sensibly around the school and never run inside

To take personal responsibility for their own actions and to say sorry for poor choices

To forgive others who seek their forgiveness

To understand that good behaviour is about making good choices, including focussing on their own learning if others are making inappropriate choices.

## The Responsibilities of Governors

To support the distinctive Catholic nature of the school

To promote respect for all members of the school community by word and example

To respect the professional judgements of the staff team in the day-to-day implementation of the policy

To regularly review the effectiveness of the behaviour policy and ensure the general guidelines are adhered to

To follow up and investigate fully any complaints received about the day-to-day implementation of the policy

All visitors to the school are expected to show the same levels of consideration and respect while working in or with our school community.

# **Legal Guidance**

Governors also endorse and support the statutory obligations specified by the Department of Education <a href="https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\_data/file/1101597/Behaviour\_in\_schools\_guidance\_sept\_22.pdf">https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\_data/file/1101597/Behaviour\_in\_schools\_guidance\_sept\_22.pdf</a> "Behaviour in Schools" which allows for the Headteacher to be supported should the following be required:

Screening and searching pupils

Power to use reasonable force and other physical contact

Power to discipline beyond the school gate

Power to confiscate pupils' property

Work with other agencies to assess the needs of pupils displaying continuous disruptive behaviour

The school follows the 2022 Surrey County Council guidance "Touch and the Use of Restrictive Physical Intervention When Working with Children and Young People: Reducing the need for Restraint and Restrictive Intervention" which confirms that members of staff have the power to use reasonable force to prevent pupils committing an offence or injuring themselves or others.

The school treats all pupils fairly in accordance with our mission statement and complies with the <u>Equality Act 2010</u>: <u>guidance - GOV.UK (www.gov.uk)</u>

The school follows the DfE Safeguarding Guidance including Keeping Children Safe in Education September 2023 <a href="https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\_data/file/1181955/Keeping\_children\_safe\_in\_education\_2023.pdf">https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\_data/file/1181955/Keeping\_children\_safe\_in\_education\_2023.pdf</a>

# **Whole School Expectations**

### Uniform and Equipment

- Smart well-fitting Cardinal Newman school uniform should be worn at all times, except with specific permission of the Headteacher e.g. injuries, mufti days, some trips or sporting events
- Hairstyles should be moderate and not extreme. Long hair should be tied back for safety reasons. Hair
  accessories should be simple and smart, matching school colours (red, white and navy)
- Shoes should be smart and practical for school wear (no heels, no open-toed sandals). Trainers are for use in PE lessons and clubs only.
- As a rule, jewellery should not be worn. Simple ear studs (one in each ear) or simple watches are an exception to this rule, but remain the responsibility of the owner.
- Temporary tattoos and nail varnish should be removed before coming to school
- Toys, games and sweets may not be brought into school without special permission
- Mobile phones should be left at home if possible. With permission from the class teacher, children who travel to or from school on their own may bring their phone to school, but this must be handed to the office before the school day begins and collected at home time. Failure to do this will result in the phone being kept in the office until a parent is able to collect the phone.

#### Classroom

- Class teachers develop children's understanding of "the responsibilities of pupils" with their class every year and these rules are displayed in the classroom and referred to regularly.
- Expectations of classroom behaviour are based on our mission statement and guided by the principles of
  enabling each individual to develop to their full potential in the knowledge that they are unique and loved by
  God
- Circle time and Flourish resources support children's understanding of good behaviour choices and of the impact of poor choices
- All class teachers have been trained to use the "123 Magic" behaviour programme with children requiring a more structured system of behaviour management

### Playground

- Help everyone to enjoy playtimes safely.
- Any form of bullying is not acceptable and should be reported to an adult immediately.
- Keep to the designated areas and play safe and acceptable games.
- Check the rotas for playground equipment, football, adventure playground and prayer garden use. These can only be used when it is your turn.
- If playtimes are difficult for you, you could choose to take part in a lunchtime club, such as Computing, Chess or Chatty Club. Academic Mentors support in KS1 with reading or playtimes and Buddy Systems also operate in KS1, where Y2 pupils help others.
- Lunchtime supervisors and KS2 Wellbeing Champions help to resolve arguments on the playground. Any
  incident requiring further action will be dealt with according to the school behaviour procedures. (Appendix
  1)

### Whizz-Kids Wrap-Around Care

Whizz Kids is sited on our school premises and acts as an extension of the school day. As such, pupils are expected to adhere the usual behaviour expectations set out in this policy.

If the child does not respond to behaviour management strategies from a member of Whizz-Kids staff and if their behaviour choices do not improve, the child is referred to the Headteacher or member of SLT. Children who consistently refuse to comply with these behaviour expectations may be asked not to come to Whizz Kids.

### Off-site behaviour

When children are learning off-site, acting as ambassadors for our school or enjoying after-school clubs, the behaviour expectations are exactly the same as set out in this policy. Poor behaviour choices will not be tolerated and persistent poor choices could result in a child's participation in an activity being terminated.

### *E-Safety* (in conjunction with E-Safety policy)

E-safety is taken very seriously at Cardinal Newman Catholic Primary School and we are aware of the challenges of an ever-changing picture of global technology.

- Staff, parents and children sign an "Acceptable Use " document at the start of the academic year to support appropriate choices around online behaviour
- E-Safety and cyberbullying are discussed proactively as part of the Computing and Flourish curriculum and parents are invited to attend E-Safety workshops regularly on a range of topics
- Any concerns around the inappropriate use of technology by children, parents or staff should be reported to the Safeguarding Team immediately
- All use of technology on the school site is monitored using "Lightspeed" software which alerts the headteacher to any inappropriate or concerning behaviour online

### Anti-Bullying (in conjunction with Anti-Bullying Policy)

All bullying behaviour is unacceptable in our school. Any incident of bullying should be reported to someone
with authority, in the knowledge that it will be dealt with promptly and confidentially.

#### Child on Child abuse

All children have a right to attend school and learn in a safe environment. All members of staff at Cardinal Newman recognise that children are capable of abusing other children. Cardinal Newman Catholic Primary School believes that sexualised behaviour between peers that has become harmful or abusive is unacceptable and must be addressed.

Allegations child on child abuse will be dealt with under our child protection and safeguarding policy and in line with KCSiE (2023), including seeking advice and support from other agencies, as appropriate. We are clear that sexual violence and sexual harassment is not acceptable, will never be tolerated, passed off as 'banter' or 'just having a laugh' and is not an inevitable part of growing up

Cardinal Newman recognises that child on child abuse can take many forms, including but not limited to:

- · bullying, including cyberbullying
- · physical abuse which can include hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm
- · sexual violence and sexual harassment
- · 'upskirting' which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm

- · Nude or semi-nude image sharing (also known as 'sexting' or 'youth produced/involved sexual imagery)
- · Initiation/hazing type violence and rituals.

In order to minimise the risk of child on child abuse, Cardinal Newman School will:

- · implement a robust behaviour policy
- · provide an age appropriate RSE and PHSE (Flourish) curriculum which includes healthy and respectful relationships, respectful behaviour looks like, consent, gender roles, stereotyping and equality, that sexual violence and sexual harassment are always wrong.
- · provide a range of reporting processes including "what I want my teacher to know "boxes

Whilst we encourage children to report concerns and complaints directly to us, we recognise this may not always be possible. Children, young people, and adults who have experienced abuse at school can contact the NSPCC 'Report Abuse in Education' helpline on 0800 136 663

### **Celebration of Achievements**

Cardinal Newman Catholic Primary School promotes a positive behaviour management system, recognising the importance of praise, reward and encouragement to support good behaviour choices. Some of the ways we support positive behaviour choices are:

- Class teachers congratulate and praise children publicly and privately (e.g. happy face on the board).
   Stickers / stampers may be awarded for good work, behaviour or acts of kindness
- HT award stickers for outstanding work or behaviour
- All staff award housepoints which are collected regularly and the winning house receives a trophy at a whole school assembly
- Classes collect marbles when the whole class works hard or impresses the teacher. When a class collects 50 marbles, they choose a "marble treat"
- Half-termly "Celebration" assemblies where children are nominated for special achievement certificates presented by the HT and published in our school newsletter

## **Inappropriate Behaviour Choices – Sanctions and Consequences**

At Cardinal Newman, we strive to support all children, whatever their needs, to make positive behaviour choices and to be enabled to do so through a range of strategies designed to encourage, support and foster the right choices. Above all, we seek to teach children the importance of behaving safely, respectfully and considerately at all times, in line with our school rules.

However, we recognise that poor behaviour choices will sometimes be made and that all children have the right to be treated fairly, equally and transparently when the need arises. To that end, the school behaviour procedure (Appendix 1) sets out how inappropriate behaviour is dealt with and when concerns should be escalated to the next level.

In all instances the teacher involved (or Class Teacher, if support staff involved) will decide where the incident fits on the behaviour scale. Professional judgement should be used and much is dependent on the age and stage of development of the child. Separate strategies may be in place for children who have an EHCP and this will be detailed in the child's notes and shared with all staff. Behaviour expectations are the same for all children, although some children, especially those with SEND, may have considerable staff support to help them achieve these expectations.

# **School Suspensions and Permanent Exclusions**

The Xavier Exclusions Policy covers this section in detail and will be followed in all cases. It is written in line with the most recent Government guidance

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\_data/file/1181584/Susp ension and permanent exclusion guidance september 23.pdf

School suspensions and permanent exclusions will only be considered when all other avenues have been explored.

# **Anti-bullying Policy**

## **Definition of Bullying**

### Cardinal Newman defines bullying as:

'Someone who deliberately and often tries to hurt another person, either by saying unkind words, hurting them physically or indirectly harming another person.'

### How does bullying differ from teasing/falling out between friends or other types of aggressive behaviour?

- It is persistent
- There is a deliberate intention to hurt or humiliate
- There is a power imbalance that makes it hard for the victim to defend themselves

#### What does this look like?

### Bullying can include:

- name calling
- taunting
- mocking
- making offensive comments
- putting undue pressure on another to do something against their will
- physical assault
- taking or damaging belongings
- cyber bullying inappropriate text messaging and e-mailing; sending/ posting offensive or degrading images by phone or via the internet
- producing offensive graffiti
- spreading hurtful and untruthful rumours
- excluding people from groups
- sexual violence
- sexual harassment
- sexting
- upskirting
- any unwanted sexual behaviour that causes humiliation, pain, fear or intimidation
- · racist, sexist, homophobic or discriminatory behaviour

### We recognise that there are different types of bullying. These can include:

- Relational (social bullying) involves hurting someone's reputation or relationships.
- Cyber the use of the Internet and related technologies to hurt other people
- · SEND bullying about a person's special education needs or disability
- Sexist, transgender, homophobic bullying about a person's sex or sexual preference
- Racist bullying someone about their skin colour, culture or ethnic origin
- Sexual Bullying any bullying behaviour with a sexual element

### **Procedure**

The effectiveness of this policy relies upon all incidents of bullying being reported when they happen.

### What should children do if being bullied?

- Tell a friend, adult at school or someone at home.
- Put a note in the class 'What I want my teacher to know' / 'Worry Monster' with your name on it you don't have to name the bully but you need to let someone know you are being bullied.

### What should adults do if being bullied?

• Tell a colleague or senior member of staff or the Chair of Governors.

### What should parents do if they think their child is bullying or being bullied?

- Discuss their concerns with the class teacher.
- Concerns may be referred by the class teacher or parent to the Headteacher or a member of Senior
   Leadership Team. If the problem continues the matter can be referred to the Chair of Governors in writing.
- Endorse and support the policy against bullying, by acting responsibly and calmly.
- Not automatically dismissing the suggestion that their own child could be involved but work positively with the school to change behaviour.
- In the case of cyber-bullying, help your child to save evidence, i.e. print copies of emails and do not delete messages from mobile phones.

### What should parents NOT do?

- Parents must not confront any child or parent.
- Parents must not encourage their child to respond to the situation in an inappropriate manner, resulting in a breach of school rules.

### **Policy into Practice**

Children's behaviour at playtimes is monitored by the staff on duty, who record details of significant incidents on our online monitoring system (CPOMS) or on a behaviour log (Appendix 2) if appropriate. Teaching staff are made aware of any incidents that take place during playtimes which involve a child or children in their class. The DSL team regularly reviews these logs. Where bullying involving a child is suspected or has been reported, immediate action is taken.

### Staff will ensure that they:

- Listen to the person's concerns.
- Offer support.
- Act on the information given. With younger children a 'No Blame Approach' may be considered appropriate.
- Make it clear to the victim that the school can and will support him/her.
- Make it clear to the child/children using bullying behaviour that this behaviour is unacceptable and that it must stop immediately.
- Actively encourage improved behaviour from the bully.
- Inform parents of all concerned.
- Talk to the persons concerned to see if the reconciliation, involving a genuine apology is possible at this stage. If not, sanctions will be taken. In the most serious cases, these may include a suspension from school.
- Reassure the victim that it is not his/her fault, explaining that;
  - He/she was right to tell.
  - If the person or people who were using the bullying behaviour get into trouble, it is his/her own fault because we are accountable for our own actions.
  - He/she will be supported and their well-being will be monitored by the class teacher.

#### In addition, staff will:

- Actively promote the Behaviour Policy within the school community.
- Identify and use opportunities in the classroom to develop the children's understanding of what 'bullying' is and raise their awareness of the difference between bullying and one-off disagreements.
- Use Circle Time to promote an understanding and recognition of bullying, develop skills for resolving arguments and promote expectations of high standards of behaviour.
- Lead assemblies to help children to understand the importance of respect for all.
- Use the curriculum to teach aspects of bullying, particularly in Flourish and e-safety lessons.

### Pupils will be encouraged to:

- Behave towards one another safely and responsibly in accordance with our school Mission Statement.
- Be open and respectful in their dealings with one another, especially respecting the views of others and their personal space.
- Seek support from an adult if they have any concerns or worries.
- Report bullying incidents directly to staff as soon as possible.
- Take responsibility for their individual actions.

Where bullying involving adults on school premises is alleged, the appropriate complaints procedure will be followed.

# **Appendix 2 - A B C Behaviour Log (or CPOMS Log used)**
