Dear Parents/Carers,

We would like to give you some further information regarding the upcoming France Residential, 3rd -7th July.

Attached you will find a medical form and suggested packing list. Please ensure the medical form is filled out **completely and returned to school by 23rd June 2023**. (A completed medical form for every child is required, even if they do not need specific medication.) We will require precise information about any medication your child will need during the trip and any other information that adults will need to know when caring for your child. If it is a discreet matter such as bed wetting or sleep walking, you may wish to speak to myself in advance. **Any medication must be given to an adult on the morning of the trip and not placed in your child's luggage.**

We will have a meeting in the lead-up to the French trip on Monday 26th June at 7:00pm. Please make sure you bring:

1. Your child's passport
2. Your child's GHIC card
3. 5 x €10 in a named purse (for spending money) - no other denominations will be accepted.
4. Return your medical form if you have not already done so

We will give you the finer details of the trip at this meeting. We would also like to inform you in advance that children will be required to arrive at school between 5:10am-5:20am on Monday 3rd July and we will be due to arrive back at school by 11:00pm on Friday 7th July.

If you have any specific worries regarding the trip, please arrange a time to see either myself or Mrs Burnham.

Regards,
Mr Joice
