Mrs Brant French's lessons are fantastic, our daughter has been taking lessons for nearly two years and she still goes to every lesson with enthusiasm and looking forward to it each week. Mrs Brant makes learning fun and personal to each kid. She always has this very special touch for the kids. She keeps parents informed, organized and driven as well. Highly recommend if you are looking for French lessons. St Nicholas mum

## What parents have to say:

My daughter loves all the methods Mrs Brant uses like songs and visuals and has started demonstrating her new found knowledge at home. It's the first after school activity she's never lost interest in! Ashley mum

My son 7 years old has been taking lessons at after school club for the last year and he is really developing and enjoying it. I would recommend Mrs Brant's classes, especially with this age group. Cardinal mum

My son has really enjoyed Mrs Brant's fun and engaging lessons, he has loved learning French. Thank you for doing such a great class! Ashley dad

My son was taught French in an after school class run by Mrs Brant. It was fun but also a great way to feel more confident with the language ahead of attending secondary school. Now he is at secondary he feels very comfortable with the French lessons. We are really pleased with the progress he is making. My daughter also had 1:1 tutoring as she started secondary school (years 7-9). Having someone to share concerns and practice with that really understood the language was amazing. It made my daughter more confident in her class and she quickly progressed. Homework had been something that would have taken far longer! With Nathalie's help it was far more enjoyable. Nathalie's manner is perfect for teenagers, caring but also firm in ensuring my daughter concentrated. Ashley mum
