At Cardinal Newman Catholic Primary School, we are proud of our smart school uniform. It helps us to identify each other as a community of learners, believers and friends. Our red ties and bags remind us of the red clothes worn by Cardinals like St John Henry Newman. The candle on our school logo shows the light of Christ and reminds us of our school prayer “Lead Kindly Light” written by St John Henry Newman.

As a school community, we do our best to make sure that everyone has the same uniform and that parents and children help to make decisions about the best uniform for our school. In 2018, parents voted for our uniform supplier – Alley Catz in Hersham Village – and we review our supplier annually to ensure cost and quality remain the best we can find. We also hold discussions with parents and children about the kind of uniform we wear – for example, in 2020, parents and children told us they wanted to keep the different coloured trousers for boys and girls. Parents of girls felt strongly that they wanted their daughters to have their own identity.

Many items of our school uniform, including trousers, shirts and dresses, can be bought from any supplier. Some items have our school logo on them and must be bought from Alley Catz. These items are demoted by (AC) in the list below.

Our Parent Association recognise the environmental and financial impact of having to buy new uniform for fast-growing children and we have an excellent second-hand uniform provision where all items can be purchased for a nominal contribution to school funds. Pre-loved uniform is sold at least three times a year including September, March and June. Families who find it difficult to purchase uniform will always be provided with the items they need – please speak to the Headteacher who will be happy to help.
