

MULTI SPORTS

Development Centres Ltd

ABOUT US

Multisports Development Centres is a coaching company dedicated to helping you child progress within the sporting world. Our courses will be for all abilities and our goal will be to encourage every child individually to have the self confidence to try something new. For some it may eventually lead to Olympic Gold or finding a sport that they enjoy taking part in, making new friends and having fun while keeping their bodies and minds fit and healthy.

WHAT HAPPENS ON OUR COURSES

Each day will be different, one day the children may take part in Athletics, Badminton, Golf & Tag Rugby. The next day it might be Short Tennis, Kurling, Kwik Cricket and Team Activities. Every day will be very well structured and managed and will encourage your child to try a variety of different sports. For more information about the breakdown of the schedules please contact us on the telephone number below.
