Dear Parents

PARENT COMMUNICATIONS UPDATE

Our website has now moved to www.cardinalnewmanschool.co.uk and the school email has also changed to office@cardinalnewmanschool.co.uk. The previous addresses will divert to these new ones for a short while.

The website is updated with the latest school news, events, and important information. To make it even easier to access this we are pleased to let you know that there is now an updated mobile and tablet app, which you can now download for free from the iOS and Google Play App Stores. To download the app, simply go to your app store and search for 'School News'. Once the app has been downloaded, simply enter our school postcode above to subscribe to updates and opt into push notifications, allowing you to receive instant updates on important news, such as school closures, trips, and sporting events.

How the School News App can help you:

- Receive a push notification straight to your mobile device when a news item is loaded on the website, for example school closures, changes to clubs, trips or sports events.
- Quickly check timings for events. Keep up to date with the latest school dates, term times and key events directly from within the app.
- Import events into your device calendar. The new School News App allows you to import events straight into your device calendar so you can check for clashes and set reminders for upcoming important events.
- Feel better connected. With galleries, blog posts and news items, our new School News App will help bring you even closer to what's happening at our school.
- Contact the school directly through the App. Need to get in touch? You'll find all the details you'll need in the App.

If you require any more information, please get in touch, or visit our school website for more information.

Yours faithfully

Jill Keany
