

SCITT AT ST JOHN THE BAPTIST SCHOOL

Teach SouthEast is an Initial Teacher Training (ITT) provider. Through Partnership with a range of schools, a high quality, bespoke School Centred Initial Teacher Training (SCITT) programme is delivered for aspiring secondary school teachers across the South East of England. We are incredibly proud that in 2018 we were rated outstanding by OFSTED and, due to the success of our secondary SCITT programme, we are delighted to announce that from September 2020 we are offering a primary programme.

If you are passionate about inspiring the next generation and are considering a career in primary teaching, then please contact Claire Brown on c.brown@sjb.surrey.sch.uk for more information and to book onto a taster day.
