Tuesday 7th June 2022

Dear Parents,

## **Final arrangements for the residential trip to France**

Please make sure your child is at school by 5:10 am (no earlier) on Monday 13th June. We must leave school at 5:30 promptly.

To enable the coach to have easy access into and out of Arch Road, please park in the school playground, please DO NOT park in Arch Road. Please be considerate of our neighbours in Arch Road as it's very early in the morning.

Please place your child's suitcase just inside the main gate so it can be put straight onto the coach. Children should then make their way to the back of the hall where they will be registered.

Parents should give any medication including travel sickness pills to Mrs. Sharp (These must be clearly named with dosage, frequency etc.) and placed in a plastic bag. Please administer any medication needed in the morning before coming to school, e.g travel sickness medication.

Parents are then asked to leave the hall so that we can carry out last minute briefings and checks. You are welcome to wait by the coach to wave your children off.

On the coach the children will need to wear their new hoodie, which will be given to them on Friday 10th June. They will need to bring with them their Cardinal Newman rucksack which they will be supplied with and their waterproof coat. The rucksack should contain the following:

- games/books/notepad/stationery for the journey - no electronics
- camera
- a small breakfast snack and drink for the ferry
- a packed lunch to have on the ferry
- a water bottle that can be re-filled daily

Please remember to pack a towel for your child and ensure that the suitcase is of a small to medium size.

We will be staying at;  
Quieri Querettes UNCMT Centre De Grandcamp-Maisy  
France

While they are in the centre the children are required to wear indoor shoes/slippers. Please ensure these are packed in addition to the footwear they will be wearing on visits/the beach.

All children will need a pair of trainers, rather than plimsolls as there is a lot of walking over rough terrain during the trip.

The children may choose to bring DVD's to watch on the coach. These should be labelled with their name on, (U's only please) and brought to school by Friday 10th June.

Please remember not to contact anyone on the trip directly. Regular updates will be placed on the website and Mrs Burnham will be updating our twitter account @2022\_cn. In the case of an emergency during school hours, please contact the school office. If you urgently need to get in contact with us outside of school hours please contact the school mobile: 07513319521.

We aim to arrive back at school for about 11:30p.m. In order to enable everyone to get home quickly, any help unloading the coach will be appreciated and please collect your case before collecting your child. If we are going to be delayed, a note will be put on the website/twitter to inform you.

We look forward to a fabulous trip

Mrs Denmead and Mr Carter
